- **Assess personal expertise:** What unique insights or skills do you bring?

- Evaluate audience needs: What problems persist regardless of trends?

Example: A book on fundamental principles of personal finance addresses a perennial concern that remains relevant across generations.

- Deep Audience Understanding

Knowing your audience intimately allows you to craft a product that truly meets their needs. Consider:

- Iterative Refinement: Revising based on feedback.
- Professional Presentation: High-quality design, editing, and production values.
